

Cuba Band Trip Newsletter

We are very excited about the Campbell Collegiate - Arts in Cuba - Band trip from February 10 - 17, 2010. If you are receiving this newsletter you have applied a first deposit of \$300 to this trip. This program is specifically designed for music students to experience a comprehensive overview of Cuban culture and history.

At an organizational meeting on May 4, 2009 a volunteer executive committee was formed. Please check the newly created webspace at <http://campbell.rbc.sk.ca/cubaband>. This page, the linked blog and email will be the major forms of communication. The web space contains a calendar that will be updated regularly with rehearsal information, fundraising opportunities and deadlines for payments and required forms. Please check the calendar and announcements blog regularly.

Our first general meeting will be held in the Campbell Collegiate Auditorium on September 14 at 7:00 pm. The concert band will have their first rehearsal on this date and we would ask that a parent/guardian attend this important meeting. You have been receiving email notification regarding fundraising opportunities. Future fundraising opportunities will be discussed as well as important information about the trip.

Please be advised that your child must have a valid passport to enter Cuba. If your child does not have one or if you have not started the process, please ensure you do so immediately. It is required that the passport be valid 6 months after returning to Canada.

The Cuba Band Committee looks forward to seeing you soon.
