September 19, 2017

Dear Sir/Madam:

The Campbell Collegiate Senior Concert Band, Senior Chamber Choir, Senior Voices Concert Choir, Senior Vocal Jazz Ensemble and Senior Jazz Band have been invited to participate in the prestigious Disney Performing Arts International Music Festival. This festival will be held at Disneyland Resort in Anaheim California, April 12 – 17, 2018.

The purpose of the Disney Performing Arts Festival is to provide a professional setting for performing ensembles to showcase their talent. They look for groups that reflect this professionalism in every aspect of their performance! Students come from across North America to participate in this prestigious event!! All of Campbell's performing ensembles will perform on stage in Disneyland at separate times. This will be very exciting as there will be large audiences at each performance!

As part of the festival, students will step into an actual recording studio and take part in a simulated film recording session. By sight-reading music and using a click track, groups bring life to the score of Disney animated segments. The workshop concludes with a viewing of the student-recording tracks combined with each animated segment. A Disney musical director will treat the students like professional studio musicians hired to overdub the previously learned material.

Campbell Music Ensembles have served the community for many years. They are in constant demand during the school year for performances that include tours of nursing homes, community events, concerts, and as guest performers at concerts of other community ensembles. Campbell Music Ensembles have received numerous awards and are nationally and internationally recognized for excellence in music. Most recently, the Campbell Chamber Choir received first place at the National Music Festival in the 18 years and under category. The Campbell Music Ensembles have represented Regina and Saskatchewan in outstanding fashion consistently over the course of the school's history.

We would sincerely appreciate your support in our efforts to raise funds for the Campbell Senior Music students to travel to this event. The approximate cost including the festival, accommodation and transportation is \$2350/person. We would be happy to bring one of our exceptional ensembles to provide entertainment at your corporate and/or service club events at any time during the year. Cheques can be made payable to the Campbell Area Music Parents Association (CAMPA).

Tax receipts for donations are available upon request from CAMPA.

On behalf of the Campbell Music Program, we thank you for your consideration.

Sincerely,

Deidre Baird
Choral Director

Russ Baird
