Course Outline

BAND 10/20/30

Mr. Peters

Course overview/summary

WELCOME!!! The Campbell Bands (Grade 9 Band, Grade 10 Band, and Grade 11/12 Band) are high-quality ensembles that enable choral students to reach their full choral performance potential in a positive, high-energy atmosphere!
(These performance-based ensembles are offered as extra-session courses.)

Outline of course content

The following instrumental skills are focused on in our performance-based ensemble classes:

Instrumental technique: mastery of breathing, tone production, placement, intonation, articulation.

Sight-reading: recognition and ability to play rhythms, intervals, (ascending and descending) and melodies.

Part-singing: ability to play your own part independently, demonstrating correct musical and stylistic elements.

Critical listening: develop the capacity to appreciate good music no matter what style.

Commitment: all members must be in attendance and prepared for all classes, rehearsals, and performances.

Organization: ability to coordinate schedules, budget time, and maintain high academic standards throughout the year.

Communication: ability to share and play with students with special needs, and with the elderly in our community.

Rehearsal Focus

Rehearsal is not the place to “learn notes”. Rehearsal is a place to “make the music happen”. If you have problems figuring out your notes then you must do some creative problem solving!

6. BRING YOUR "A" GAME TO EVERY REHEARSAL!

IMPORTANT INFORMATION SPECIFIC TO MUSIC COURSES: MUSIC RETREATS AND WORKSHOPS!

Music retreats and workshops are essential elements of the choral program.

An important part of being a choir/band member is being a team player. The music retreats provide each class with the opportunity to work collaboratively as they have an intense day of rehearsals, vocal technique sessions and other sessions that enhance the team building process.

Music Retreats

September 28 Senior Music (Grade 11/12) Retreat (Band and Choir)

September 30 Grade 10 Music Retreat (Band and Choir)

The Day Retreats will be held at Living Hope Alliance Church.

The retreats are an excellent experience for all involved. All students will be “school excused”; however, it is an expectation of courtesy that you touch base with teachers PRIOR to your retreat day. It is crucial that all members of the choir attend their retreat, as success in this class requires a complete collaborative effort in order to be successful.

WORKSHOPS, CLINICS AND INVITATIONAL CONCERTS!

Campbell musicians will have the opportunity to work with a variety of nationally recognized clinicians during the upcoming year as well as host a number of guest bands. These facilitators and bands will be brought to our school for weekday or weekend workshops, and regular rehearsals.

MUSIC TOURS

Because the music program at Campbell is performance based, the Campbell Music Tours are an integral part of the music courses, and provide a necessary extended educational opportunity. Campbell Music is committed to carefully planning tours that offer excellent educational value and outstanding personal growth opportunities. Our students represent themselves, Campbell Collegiate, Regina and Saskatchewan extremely well.

TOUR ELIGIBILITY

Campbell Music Students are considered positive student representatives of our school and province. Therefore, to be eligible for curricular music tours – students must be in good standing within their music courses and other courses in the school. Regular attendance at all music classes, on-time assignment completion, positive attitude, and quality of individual performance will all be considered to determine eligibility. Failure to comply with these standards may result in the removal of the student from the tour prior to the date of departure.
