IMPORTANT INFORMATION SPECIFIC TO GRADE 9 MUSIC COURSES:

MUSIC RETREATS AND WORKSHOPS!

Music retreats and workshops are essential elements of the choral program.

An important part of being a choir/band member is being a team player. The music retreats provide each class with the opportunity to work collaboratively as they have an intense day of rehearsals, vocal technique sessions and other sessions that enhance the team building process.

Music Retreats

September 29 Grade 9 Music Retreat

The Day Retreats will be held at Living Hope Alliance Church.

The retreats are an excellent experience for all involved. All students will be “school excused” as this is a curricular activity; however, it is an expectation of courtesy that you touch base with teachers PRIOR to your retreat day. It is crucial that all members of the band attend their retreat, as success in this class requires a complete collaborative effort in order to be successful.

WORKSHOPS, CLINICS AND INVITATIONAL CONCERTS!

Campbell musicians will have the opportunity to work with a variety of nationally recognized clinicians during the upcoming year as well as host a number of guest bands. These facilitators and bands will be brought to our school for weekday or weekend workshops, and regular rehearsals.

MUSIC TOURS

Because the music program at Campbell is performance based, the Campbell Music Tours are an integral part of the program, and provide a necessary extended educational opportunity. Campbell Music is committed to carefully planning tours that offer excellent educational value and outstanding personal growth opportunities. Our students represent themselves, Campbell Collegiate, Regina and Saskatchewan extremely well.

TOUR ELIGIBILITY

Campbell Music Students are considered positive student representatives of our school and province.

Therefore, to be eligible for music tours – students must be in good standing within their music courses and other courses in the school. Regular attendance at all music classes, on-time assignment completion, positive attitude, and quality of individual performance will all be considered to determine eligibility. Failure to comply with these standards may result in the removal of the student from the tour prior to the date of departure.
