Campbell Advisory Program

Students attending Campbell Collegiate are placed into an Advisory class. Advisory class allows both the student and the parents to build a relationship with their advisory teacher. On Thursday, September 1, all students will spend the morning in Advisory and for the afternoon, a mini timetable has been scheduled to meet classroom teachers.

Extra-Curricular and Co-Curricular Activities

Opportunities for students to learn and practice new skills take place both inside and outside of the classroom. A very important part of our school program includes extra and co-curricular activities available to students. Students are encouraged to get involved!

Timetables

If you require a timetable change, please contact the office at 306-523-3250. Appointments will begin on Thursday, August 18th.
