

## uSask Regina Showcase is Thursday, October 11

Join us on **October 11** at our [Regina nursing campus](#) to learn and ask questions about the [University of Saskatchewan \(uSask\)](#).

Meet uSask representatives from:

- Arts and Science
- Education
- Edwards School of Business
- Engineering
- Medicine
- Nursing

Prospective students, parents and counsellors are invited! This is a come and go event and registration is not required. This showcase is a great opportunity for anyone who wasn't able to attend [Open House](#).

### **Apply on the Spot**

We will be offering Apply on the Spot at this event. We will help interested students complete their application for admission to the University of Saskatchewan. Interested students must bring the \$90 application fee (cheque or credit card preferred). Students are also responsible for requesting official transcripts to be sent directly to uSask by the [Ministry of Education](#) (this can be done before or after Apply on the Spot).

If you have any questions about Apply on the Spot please contact us at [admissions@usask.ca](mailto:admissions@usask.ca). Registration for Apply on the Spot is not required.
