Dear parent(s) of future grade 9 French Immersion student,

In an effort to provide authentic French experiences for French Immersion students and give them a greater understanding of the program to which they belong, we are excited to invite your son / daughter to travel to Québec for *Carnaval* this coming February 2021 during their grade 9 year.

This travel opportunity meets several learning outcomes, speaking in the target language being amongst the foremost. In Québec, your son / daughter will explore Francophone history and traditions such as cuisine, dance, song, legend and sport, just to name a few!

Our Grade 9 French Immersion students will visit Québec City and its annual highlight-- *Carnaval*! This school trip will take them on a guided tour of Old Québec City, the Château Frontenac, Dufferin Terrace, the Sainte-Anne-de-Beaupré Basilica and the Place Royale. Students will also take a toboggan ride on *les Glissades de la Terrasse*, visit the Ice Hotel, partake in many of *Carnaval*'s cultural events and so much more.
