

# Campbell Collegiate

## Gr. 12 Course Request Information

For the  
2026-2027  
academic year

...

# Course Request Timelines

**March 9-13** → receive course request form in CAP

**March 9-25**

- review course request form with family
- consult with CAP teacher and/or subject teachers for course advice and graduation requirements
- reference the course catalogue on the website
- investigate post-secondary requirements (guidance can help with this)

**March 26** → confirm your course selections during 3-way conferences

**March 27** → CAP teachers submit class sets of request forms

**\*STUDENTS: THE FORMS ARE SUBMITTED TO YOUR CAP TEACHER, NOT THE OFFICE.**

## Reminders:

1. The course request form is a request for classes only. Classes will be offered based solely on number of requests. Accordingly, not all classes will run and space for changes will be limited.

Please choose wisely, take your time, and get feedback.

2. Courses are designed at grade levels purposefully. Students are to register for classes at their designated level.
3. Students who choose enriched and AP classes should commit to the program for the duration of the year.

## AP Options:

- English Language Arts
- Math
- Biology
- Chemistry
- Physics
- Visual Art
- Psychology
- Français Immersion\*

**Grade 11 enrichment courses are  
beneficial for Grade 12 AP success but  
are not prerequisites.**

# Gr 12's must select the following:

- ❑ English 30
- ❑ Canadian Studies 30 (Social or Indigenous Studies)
- ❑ Up to 8 elective classes
  - ❑ 3 more must be at the 30 level (total of 5)
  - ❑ Be very aware of potential post-secondary requirements. ●●●

Grade 12's may have two spares if they are on-track to graduate. Course requests impact post-secondary opportunities so consult appropriately and keep your options open!

## SK Regular (English) Program — 24 Credit Policy

Grade 10	Grade 11	Grade 12
minimum 8 cumulative credits	minimum 16 cumulative credits	minimum 24 cumulative credits (5 of which must be at level 30)
<b>Compulsory Courses:</b>	<b>Compulsory Courses:</b>	<b>Compulsory Courses:</b>
One English language arts at level 10  One of: Social Studies 10, History 10, or Native Studies 10  One mathematics at level 10  One science at level 10  Four electives at level 10, 20 or 30	One English language arts at level 20    One mathematics at level 20	One English language arts at level 30    One Canadian Studies at level 30
	One science at level 20 or 30 *	
	Seven additional elective credits at level 20 or 30	
Financial Literacy at level 10		
Two credits in arts education or practical and applied arts at level 10, 20 or 30		
One of: Wellness 10, Physical Education 20 or Physical Education 30		

# Gr 12s (French Imm) must select the following

- ❑ English 30
- ❑ French Immersion 30
- ❑ Sciences Sociales 30
- ❑ Up to 7 elective classes - 3 more must be at the 30 level and be very aware of potential post-secondary requirements. ●●●

Grade 12's may have two spares if they are on-track to graduate. Course requests impact post-secondary opportunities so consult appropriately and keep your options open!

Reminder: French Immersion students require 12 classes in French to receive Bilingual mention and in most cases to graduate!

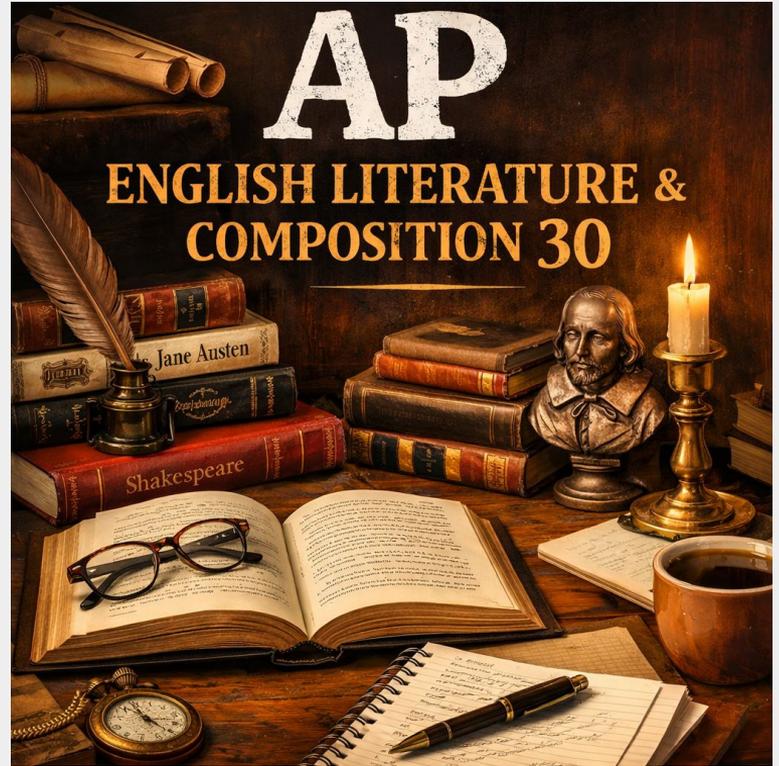

## SK French Immersion (Bilingual) Program / SK - Programme d'immersion française bilingue

Grade 10 / 10 <sup>e</sup> année	Grade 11 / 11 <sup>e</sup> année	Grade 12 / 12 <sup>e</sup> année
<i>Minimum cumulative total of 8 credits (4 credits must be in French) / minimum de 8 crédits dont 4 en français</i>	<i>Minimum cumulative total of 16 credits (8 credits must be in French) / minimum de 16 crédits dont 8 en français</i>	<i>Minimum cumulative total of 24 credits (5 of which must be at the 30 level and 12 must be in French) / minimum de 24 crédits dont 5 crédits de niveau 30 et 12 en français</i>
<b>Compulsory Courses/ Cours obligatoires:</b>	<b>Compulsory Courses/ Cours obligatoires:</b>	<b>Compulsory Courses/ Cours obligatoires:</b>
<p>One English language arts at level 10 / un crédit en English language arts de niveau 10</p> <p>Français immersion 10</p> <p>One of: Social Studies 10, or / ou History 10, or / ou Histoire 10; or Native Studies 10</p> <p>One mathematics at level 10 / un crédit en mathématiques de niveau 10</p> <p>One science at level 10 / un crédit en sciences de niveau 10</p> <p>Three electives at level 10, 20 or 30 / trois cours au choix de niveau 10, 20 ou 30</p>	<p>One English language arts at level 20 / un crédit en English language arts de niveau 20</p> <p>Français immersion 20</p> <p>One mathematics at level 20/ un crédit en mathématiques de niveau 20</p>	<p>One English language arts at level 30 / un crédit en English language arts de niveau 30</p> <p>Français immersion 30</p> <p>One of: Social Studies 30: Canadian Studies, or / ou History 30: Canadian Studies, or / ou Native Studies 30: Canadian Studies, or / ou Sciences sociales immersion 30</p>
	<p>One science credit at level 20 or 30 / un crédit en cours de sciences de niveau 20 ou 30 *</p>	
	<p>Five additional elective credits at level 20 or 30 / cinq autres cours au choix de niveau 20 ou 30</p>	
<p>Financial Literacy 10 or/ou Littératie financière 10</p>		
<p>Two credits in arts education or practical and applied arts at level 10, 20, or 30 / deux crédits de niveau 10, 20 ou 30 dans les domaines de l'éducation artistique ou des arts pratiques et appliqués.</p>		
<p>One credit of choice in Wellness 10, Physical Education 20, or Physical Education 30 / un crédit au choix parmi Mieux-être 10, Éducation physique 20, ou Éducation physique 30</p>		

# AP ELA 30 and ELC 30L

*Prerequisites: ELA 20 is required (Enriched ELA 20 & ELC 20L highly recommended)*

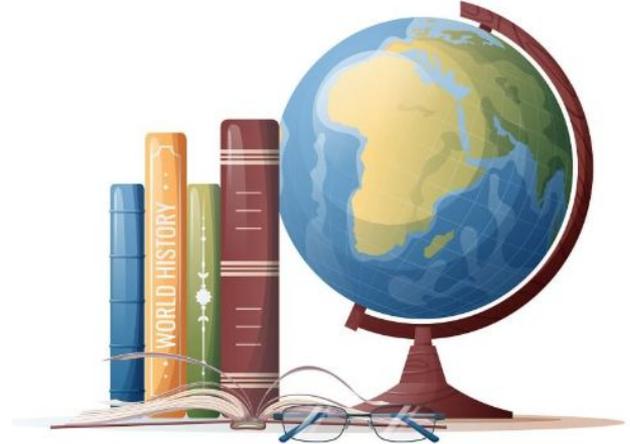

These courses cover a wide range of complex literature, from classic novels and plays to poetry and short stories. Success in AP English Language Arts 30 and ELC 30L largely depends on your ability to read analytically and write persuasively. Strong skills in reading comprehension, literary analysis, and essay writing are crucial. Also, scoring well on the AP English Literature and Composition Exam in May could earn you college credit or advanced placement in college courses.

# Social Studies 30

*Prerequisites: Social Science 10*

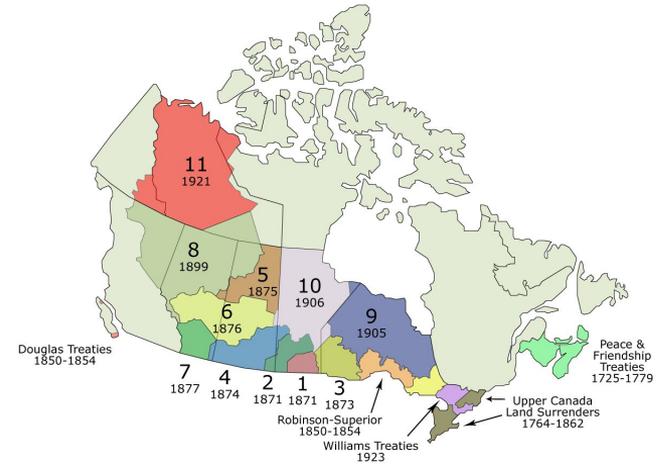

Social Studies 30 is designed to help students establish an awareness of how the Canadian Identity developed. This course studies past developments in Canadian history and examines how they have affected the physical, political, economic, social, and cultural conditions of Canada today. The emphasis of the course is on contemporary affairs and issues, and the historical development of them over time.

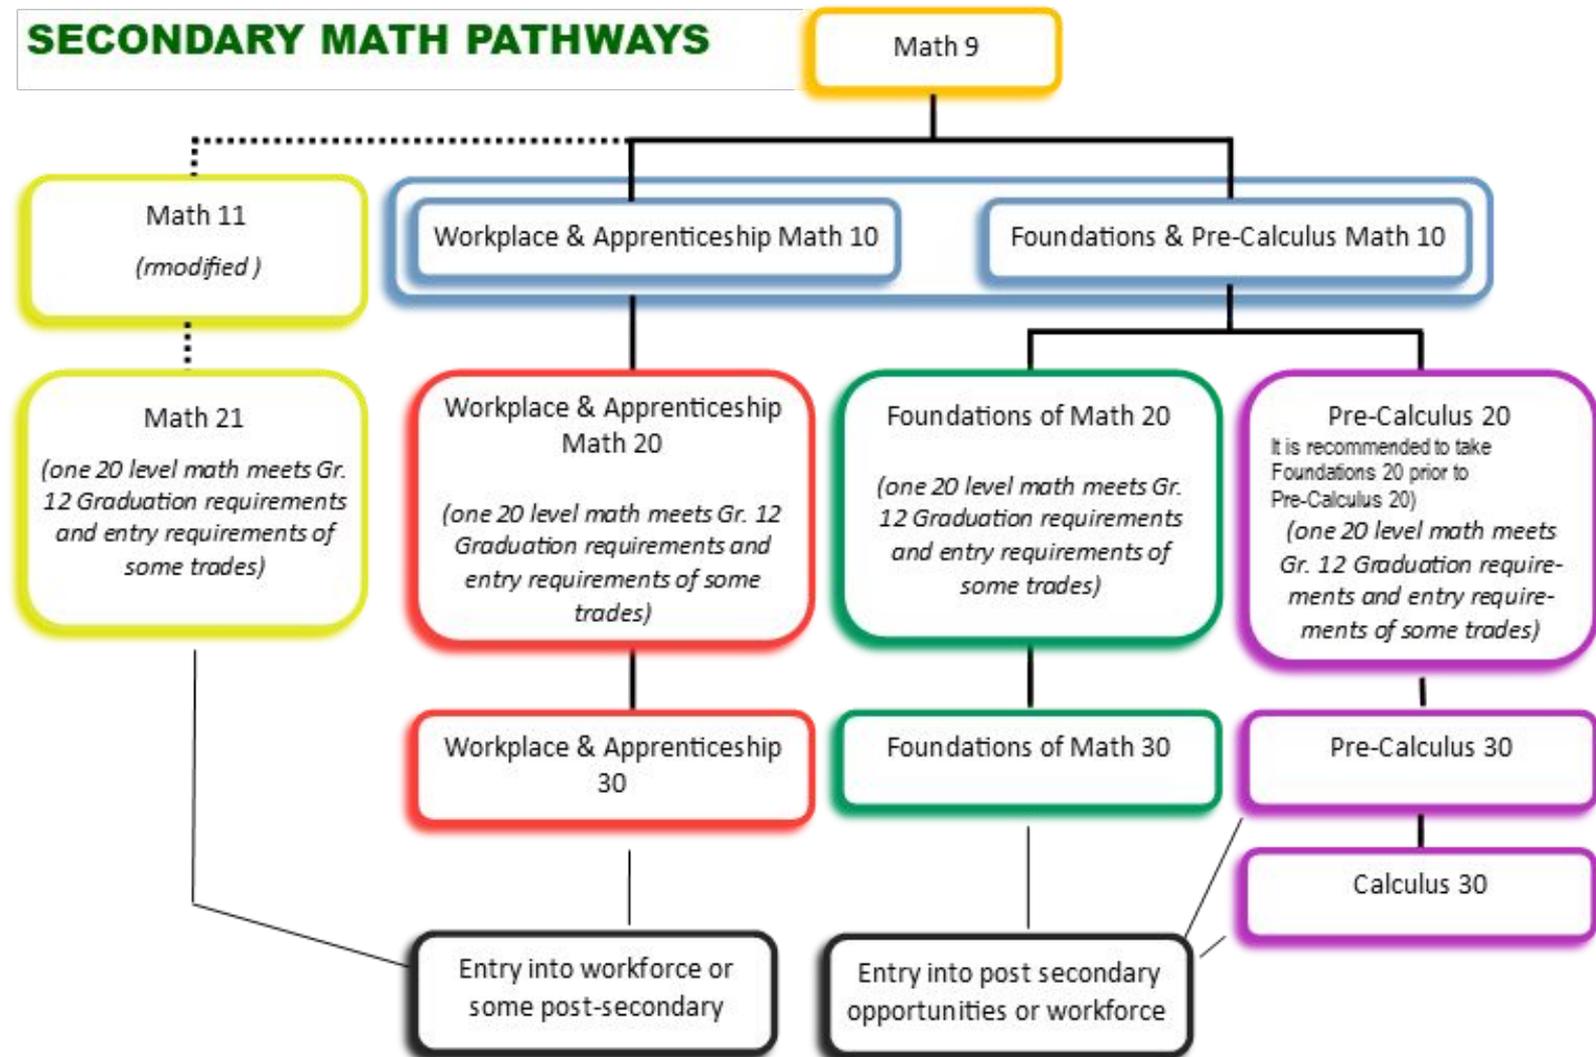

# Indigenous Studies 30

*Prerequisites: Social Science 10*

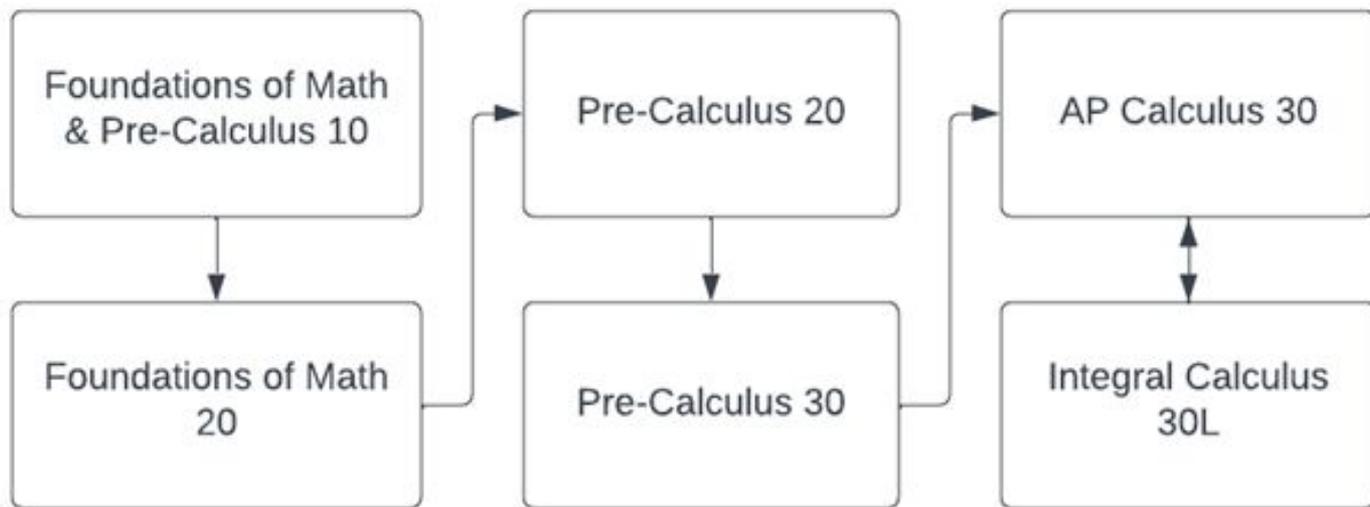

Indigenous Studies 30 deals with contemporary, historical, social, and political struggles that are particular to Indigenous peoples in Canada. Topics include: Aboriginal and treaty rights, Indigenous governance, land claims, treaty land entitlements, and economic development.

## SECONDARY MATH PATHWAYS

# Which Math Should You Take? (AP Edition)

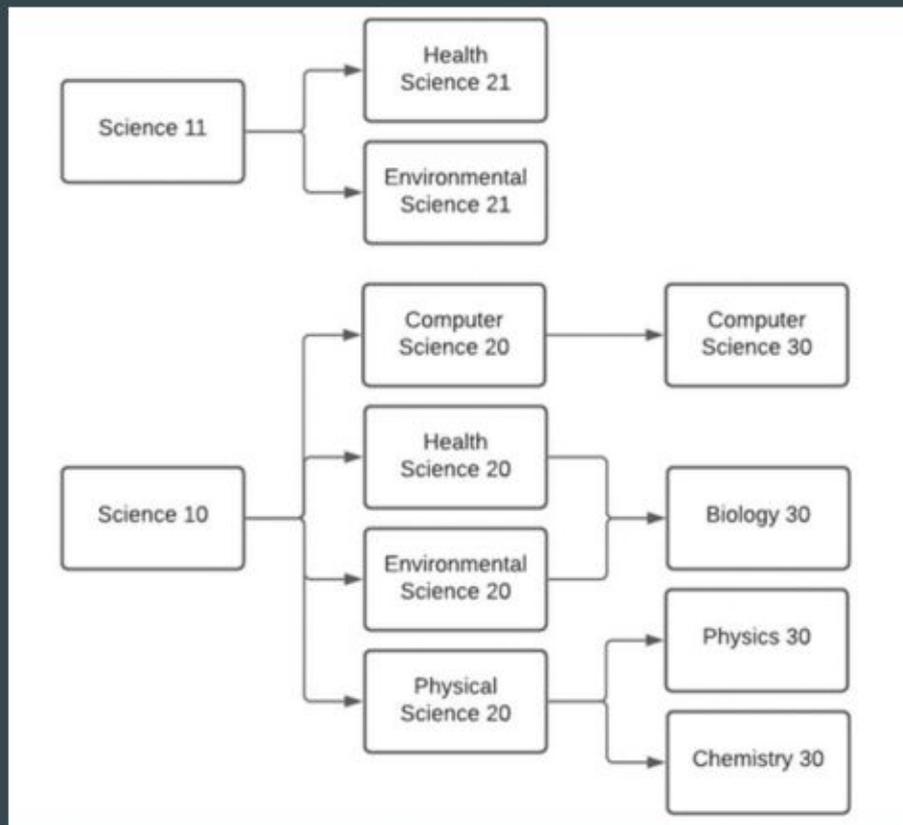

# AP Calculus & Integral Calculus 30L

Prerequisites: Pre-Calculus 30 (Enriched is recommended)

Year-long course where both credits are taken simultaneously. Students must be willing to work hard and be independent learners.

$\frac{d}{dx} \left[ \frac{f(x)}{g(x)} \right] = \frac{g(x)f'(x) - f(x)g'(x)}{g(x)^2}$ 
 $F = mg = ma = m \frac{d^2h}{dt^2}$ 
 $m \frac{d^2x}{dt^2} = -kx$ 
 $\frac{dA}{dt} = \frac{dB}{dt} = \frac{dC}{dt} = \frac{dD}{dt} = (c_1)AB - (c_2)CD$ 
 $\frac{du}{dx} = \frac{dv}{dy} = \frac{dy}{dx}$ 
 $y = mx + b$ 
 $f(x) = x^2$ 
 $f'(x) = 2x$ 
 $\int \sin x dx = -\cos x + c$ 
 $\int_a^b f'(x) dx = f(b) - f(a)$ 
 $m \frac{d^2x}{dt^2} = -kx$ 
 $\frac{d^2x}{dt^2} = -kx$ 
 $\frac{dA}{dt} = \frac{dB}{dt} = -\frac{dC}{dt} = -\frac{dD}{dt} = (d_1)T^{\frac{1}{2}}AB - (d_2)T^{\frac{1}{2}}C$ 
 $x^2 = A$ 
 $\frac{dT}{dt} = (c_3) \frac{dA}{dt} - (c_4)(T_0 - T)$ 
 $\left[ x + \frac{b}{2a} \right]^2 = \frac{b^2 - 4ac}{4a^2}$ 
 $x + \frac{b}{2a} = \frac{\sqrt{b^2 - 4ac}}{2a}$ 
 $\text{or } x + \frac{b}{2a} = -\frac{\sqrt{b^2 - 4ac}}{2a}$ 
 $(x+h, f(x+h))$ 
 $\frac{d}{dx} \int_a^x f(t) dt = f(x)$ 
 $m \frac{d^2x}{dt^2} = -kx - f \frac{dx}{dt} + A \sin(\omega t)$ 
 $y' = v$ , and  $v' = -ky - fv + A \sin(\omega t)$ 
 $f(x-h) - f(x)$

# Which Science Should You Take?

# Computer Science 30

Prerequisites: CS 20  
'hello world v.2'

This course aims to cultivating creativity, self-directed learning, and problem-solving skills. You'll gain competence in developing your own libraries and classes while developing a text-based, **role-playing adventure** game.

Join us as we continue to **explore** the world of **Computer Science!**

The image shows a Python IDE window titled 'RPG: Castle Ad' with a file named 'main.py'. The code defines a game setup and a main menu. A map of the castle is displayed in the center, showing a grid of rooms. The map is as follows:

Foyer	Corridor	Dungeon
Corridor	Ballroom	Corridor
Dinning Hall	Thrown Room	Bedroom
Kitchen	Corridor	Bedroom

The IDE also shows a terminal window with the following text:

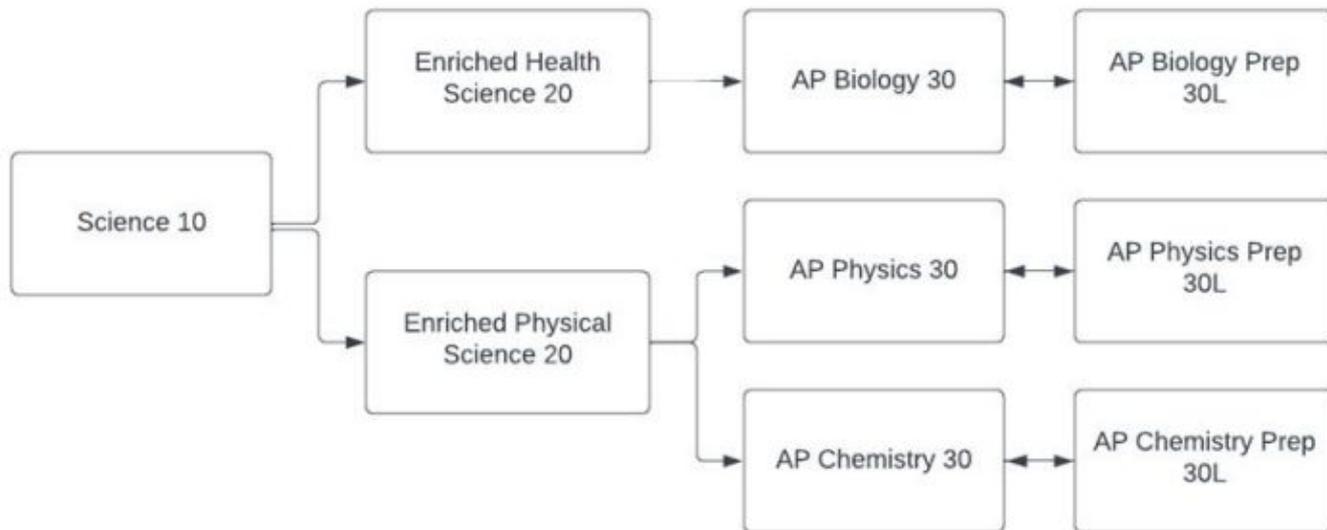

```
your name? Ms. Lynn
Welcome to my Castle!

Your goal is to find and open a treasure chest.
You can type Quit at any time to quit the game.

Choose one of the following options:
- Explore another room. (explore)
- Search the room your currently in. (search)
- View a map of the castle. (map)
- View your current inventory. (inventory)
Choice: explore
Continue playing adventurer.

Choice: █
```

# Which Science Should You Take? (AP Edition)

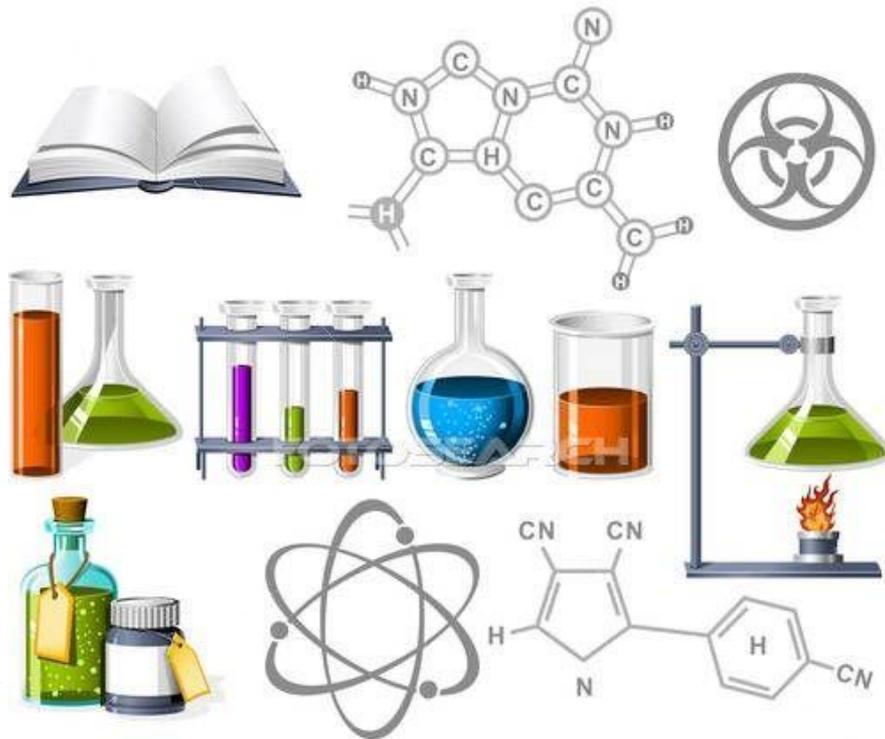

# AP Chemistry 30

*Prerequisites: Physical Science 20  
(Enriched required for 30 level)*

*Recommended math stream: Foundations  
20 and/or Precalculus 20*

Take if:

- You're interested in strengthening your practical science skills
- Enjoy math and science
- You are willing to work hard and LEARN

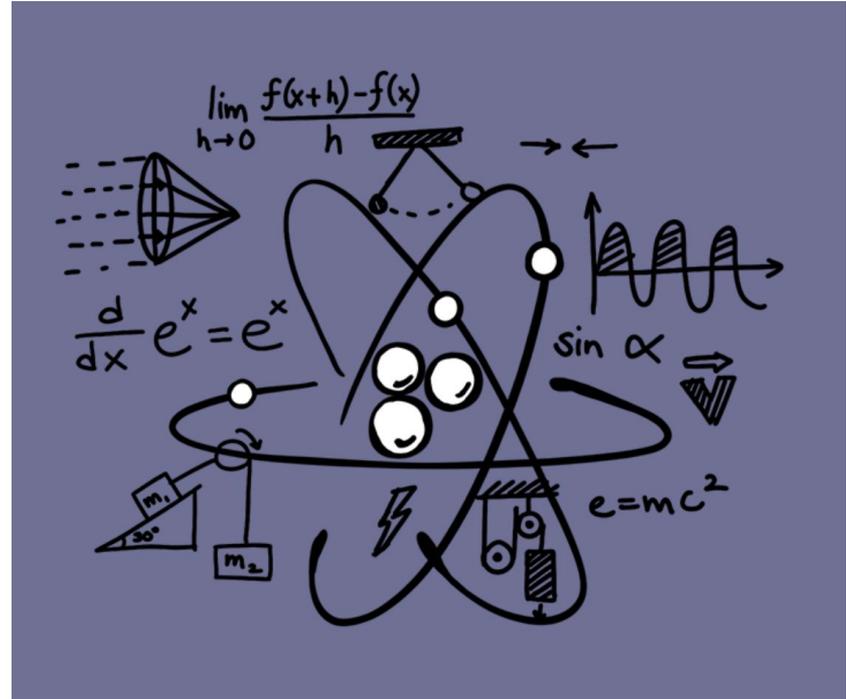

# AP Physics 30

*Prerequisites: Physical Science 20,  
Physics 30*

*Recommended math stream: Foundations  
20 and/or Precalculus 20*

Take if:

- You're interested in strengthening your practical science skills
- Enjoy math and science
- You are willing to work hard and LEARN

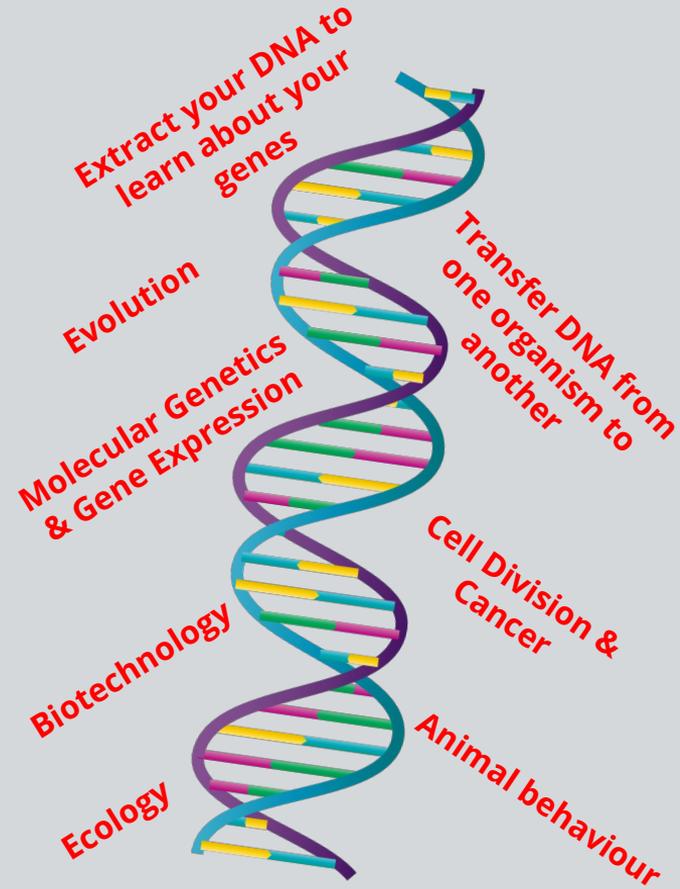

# AP Biology 30

*Prerequisite: Health Science 20 (Enriched preferred)*

Part of a three course route (**Enriched HS20 + AP Biology 30 & AP Biology Prep 30L**) finishing in second semester grade 12 with the AP Exam (May)

Take if:

- You're interested in strengthening your practical science skills
- Learning how living things work sounds exciting to you
- You are willing to work hard and LEARN

**Check post-secondary  
admission requirements  
when choosing math and  
science courses!!**

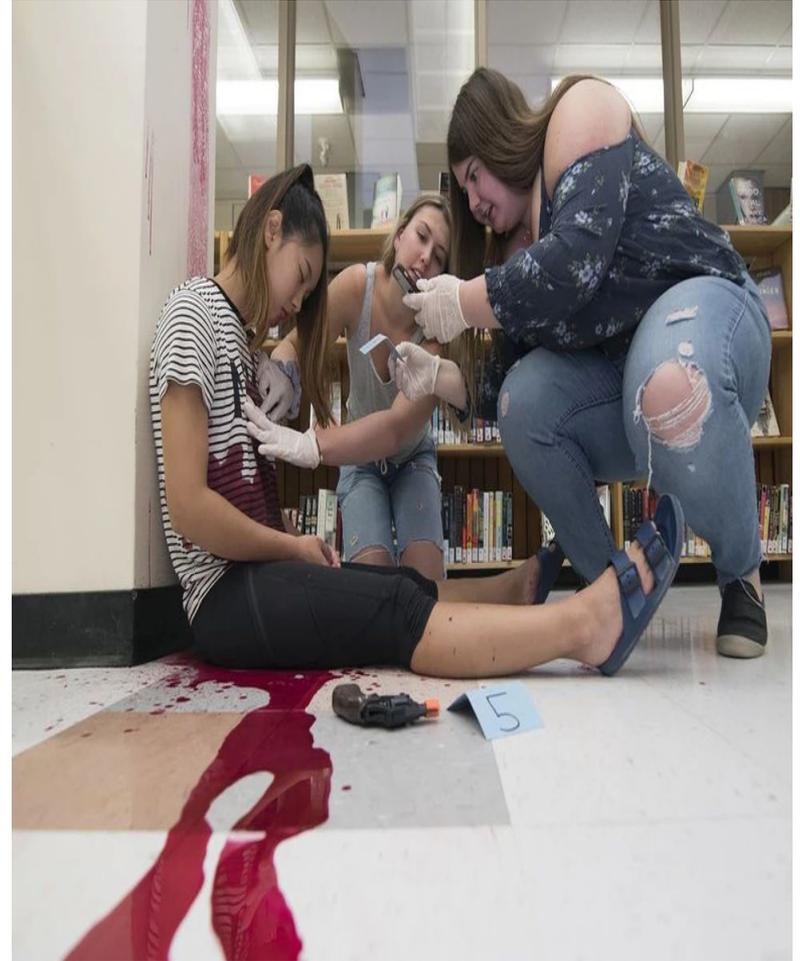

# **Social Science Electives**

# Law 30

*Prerequisites: Any Social Science 10*

*Law 30 is an introduction to Canadian law with a focus on how laws are made in Canada and enforced, the role of the judicial system in Canada, and how police investigate a crime.*

*If you have aspirations of a career in law or law enforcement, this class is for you!*

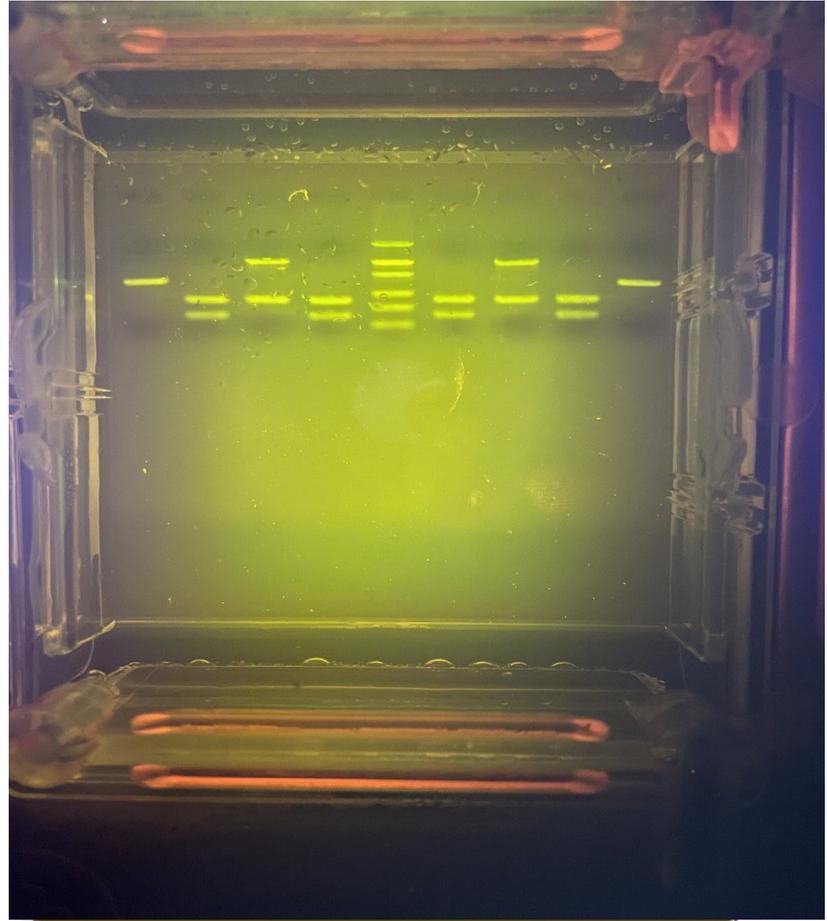

# Forensic Science 30L

*Prerequisites: Science 10 and a Social Science 10*

Much like Law 30, Forensic Science 30L looks at the foundation of Canadian law, with an emphasis on how science and law collaborate to solve crime.

Areas of study include fingerprint and DNA analysis, crime scene investigation, plus many more fields of study.

# Psychology 30

*Prerequisites: None required, Psych 20 is helpful*

**\*Counts as a grade 12 elective**

- Real life applications
- Physical, cognitive and socio-emotional changes
- Real Care Baby project

**Learn about yourself from  
conception to death**

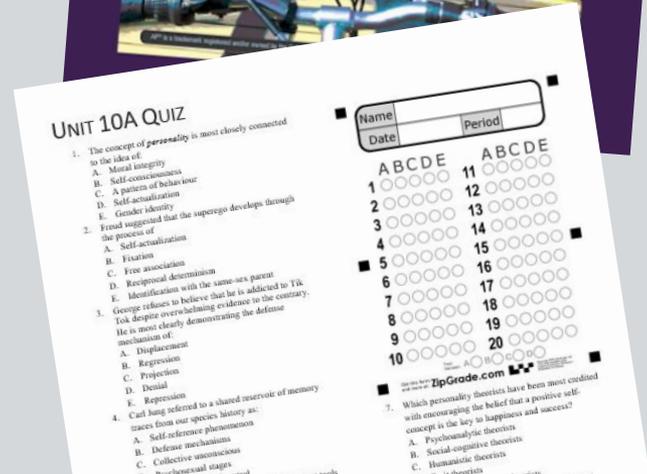

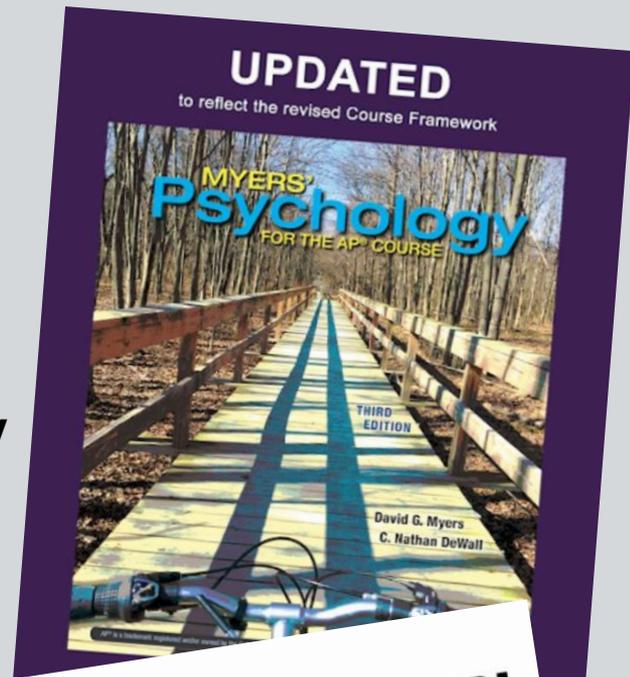

# AP Psychology

*Prerequisite: a Social Science 10*

Achieve two credits (**Psychology 20 + AP Psychology 30**) and write the AP exam in May

Take instead of regular Psychology if:

- You're good with time management and memorization
- You like asking making connections between a wide variety of topics
- You enjoy a lot of note-taking, reading, and lecture-style learning

# **Practical & Applied Arts Electives**

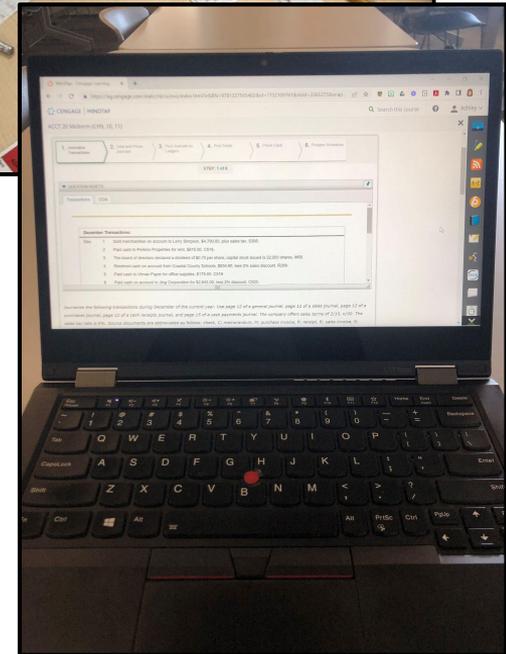

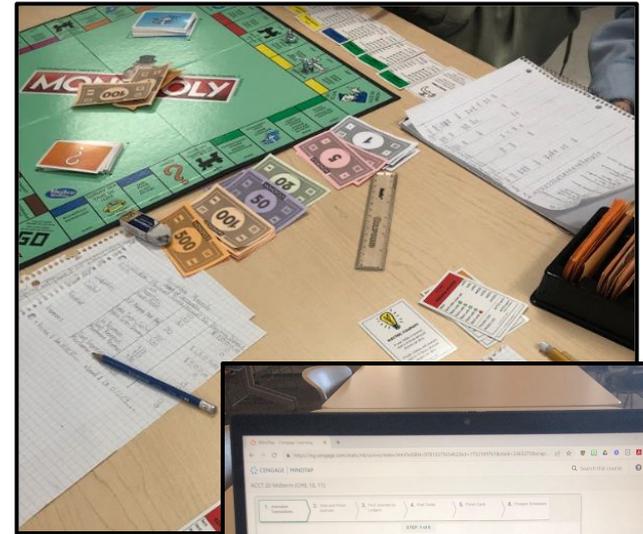

# Accounting 30

*Prerequisites: Acct. 20*

Advanced concepts of corporate accounting & statement analysis for a merchandising business.

Why Take Accounting?

- **Relevant to the real world** Gain tax, business, and financial knowledge and **learn about your taxes**
- **Hands on learning** Simulations using a digital web based program
- **No complicated math!** Just addition and subtraction on a calculator.
- **Career connections** Career options from Regina accountants and businesses.

# Entrepreneurship 30

*Prerequisites: None*

Learn how to run a business....and  
then **RUN A BUSINESS!**

Production, Planning, Packaging,  
Pricing, Sales, Financial Statements,  
Advertising

10% Donation to a charity then  
**YOU take HOME the profits!**

# Financial Literacy 30

*Prerequisites: None*

Do you plan on moving out of your parents house...ever? Do you plan on spending or earning money?  
If so, You should take this class!

## Topics Covered Include:

- Rental Agreements
- Mortgages
- Doing Your Taxes Online
- Investing & growing your money
- Buying a car

# Commercial Cooking 20/30

## Commercial Cooking 20/30

**This program is ON!**

**Focus is on** cooking & baking techniques, presentation, to go orders and menu planning.

This Program will look slightly different but will run as usual.

Work Experience for your resume from a licensed business.

# Work Experience 10/20/30

## Lunch Service

**This program is ON!**

**Focus is on** serving out food made  
in the morning program.

Students at lunch will operate  
Tills/POS

Make Coffees/Smoothies/Boba

Work Experience for your resume  
from a licensed business.

shutterstock.com - 2536425405

# Construction and Carpentry 30

*Prerequisites: Construction 20*

*Students in this class will continue building on previous knowledge by independently building more challenging woodworking projects.*

# Communication Media 30

*Prerequisites: Comm Media 10 or 20*

**Create, Innovate, Communicate!**

In this hands-on, project-based course, students will dive into the world of media production, using a variety of creative tools to produce video and audio productions

Students will explore industry-standard software and cutting-edge technology to bring their ideas to life.

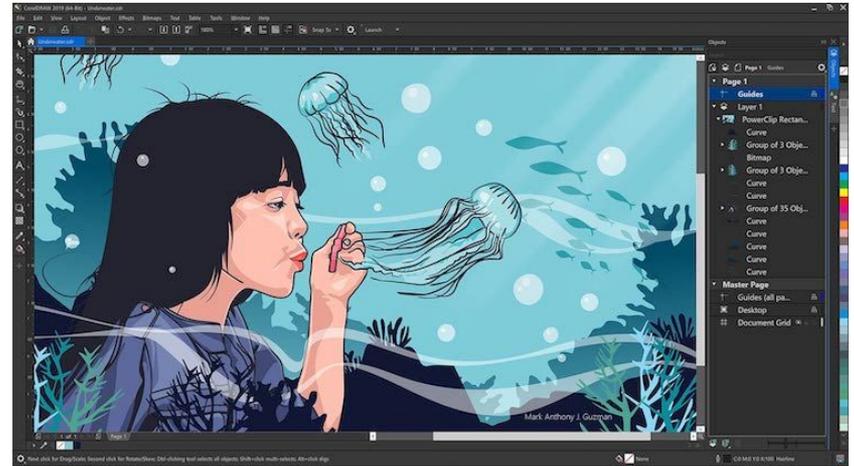

# Graphic Arts 30

*Prerequisites: Graphic Arts 20 required*

Students will develop skills used in graphic arts and graphic design to become familiar with potential career opportunities.

During this course, students will build skills using digital technology to create a variety of graphic representations.

# Yearbook NOON HOUR (Photography 30)

*Prerequisites: Yearbook (Photography 20)  
required*

Students take photos of school activities according to the corresponding semester in which they take the class.

Students are given the opportunity to be part of a professional publication before graduating high school.

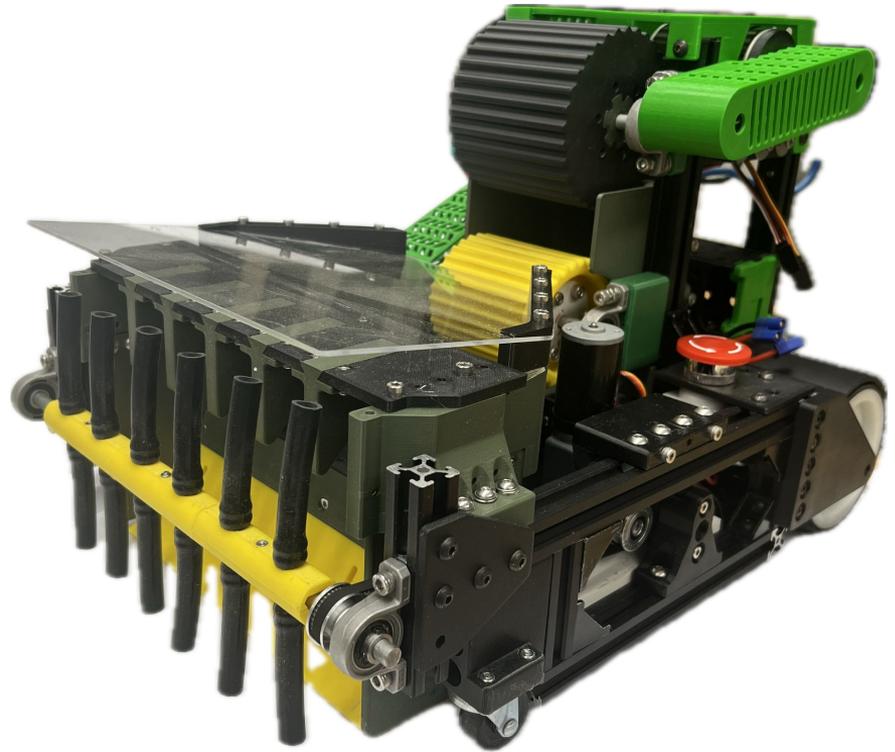

(It is expected that students will take pictures of school-related activities that fall outside of 8:00 am - 3:30 pm.)

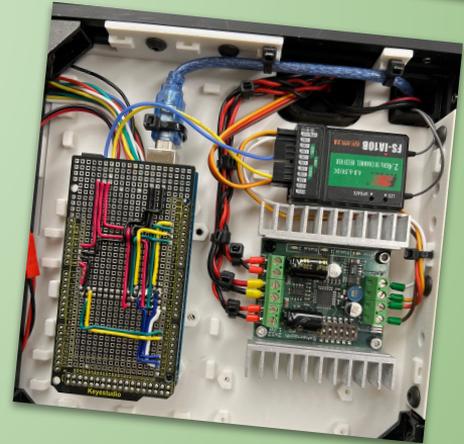

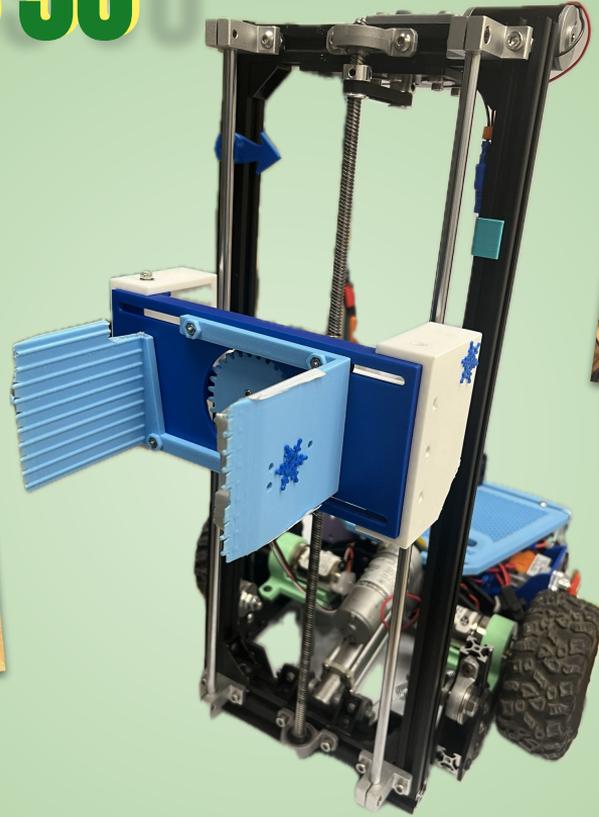

# Robotics and Automation 30

Teams compete original design solutions to a new challenge each year. Top teams have the opportunity to compete at the Skills Canada Robotics competition. Advanced concepts in robotics, coding, design and fabrication are all explored throughout the project.

# MECHATRONICS 30

# MECHATRONICS 30

Mechatronics engineering is a multidisciplinary field merging mechanical, electrical, computer, and systems design engineering to create intelligent, automated, and computer-controlled systems. It bridges the gap between hardware and software, powering innovations like robotics, automation, and smart consumer products.

# MECHATRONICS 30

What is it?

Robotics 20 or 30

Computer Science 20 or 30

2 Credits - 2 hours daily

Fabrication & Design

Mechanics & Coding

Electronics & Software

# MECHATRONICS 30

What do we do? We...

Learn Coding Fun-damentals

Code Electronics & Robots

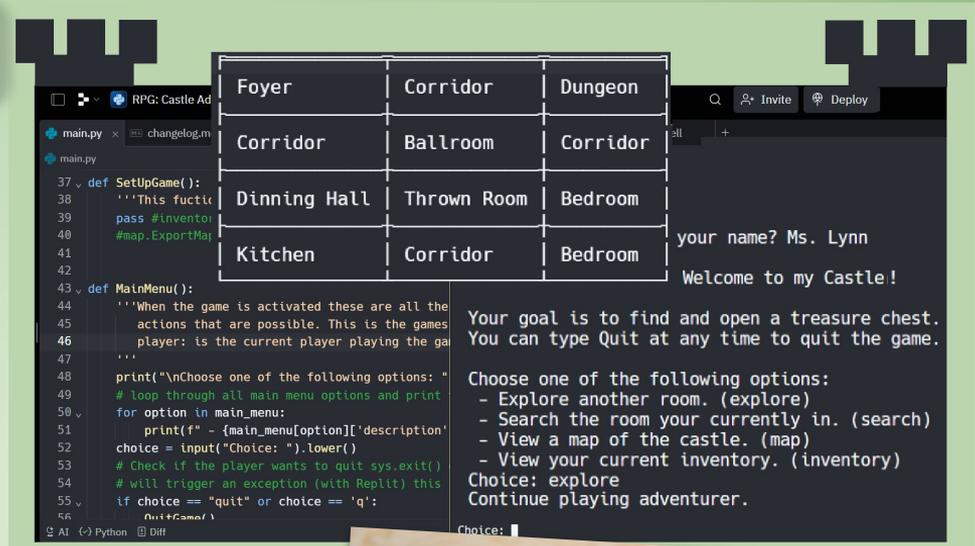

Pilot Robots in Game Challenges

Race POV Drones

Learn Computer Aided Design

3D Print & Build Custom Robots

Object-Oriented Programming

The screenshot shows a Python IDE with a game map and a terminal window. The map is a 3x3 grid of rooms:

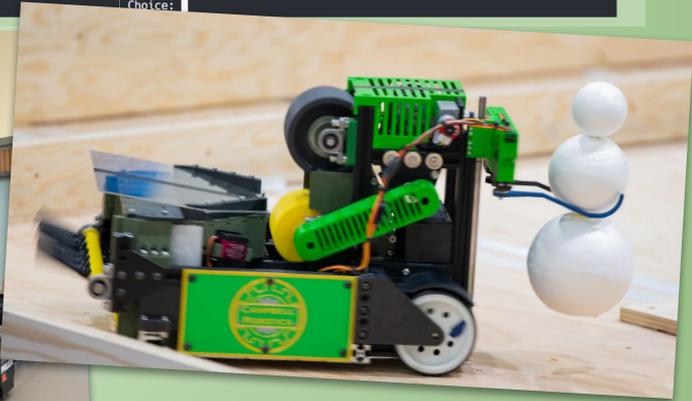

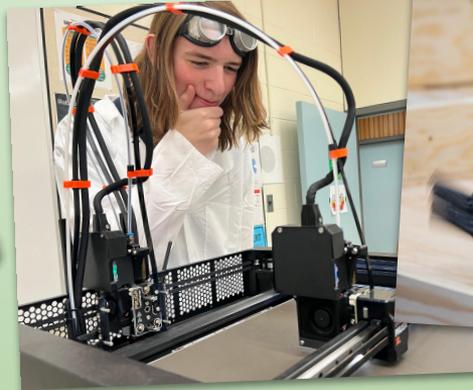

Foyer	Corridor	Dungeon
Corridor	Ballroom	Corridor
Dinning Hall	Thrown Room	Bedroom
Kitchen	Corridor	Bedroom

The terminal window shows the game's main menu and a list of options:

```
your name? Ms. Lynn
Welcome to my Castle!

Your goal is to find and open a treasure chest.
You can type Quit at any time to quit the game.

Choose one of the following options:
- Explore another room. (explore)
- Search the room your currently in. (search)
- View a map of the castle. (map)
- View your current inventory. (inventory)
Choice: explore
Continue playing adventurer.
```

# **Language Electives**

# Spanish 30

*Prerequisites: Spanish 20*

Students at this level will continue to build on vocabulary and other skills learned in Spanish 20. While students work through a variety of themes, they will be developing a higher level of speaking, listening, reading and writing skills. The Spanish language will be practiced through interactive activities and presentations.

# Core French 30

*Prerequisites: French 20, French 10*

- *Students will be expected to create small skits, vlogs, audio recordings of basic conversation, and read small excerpts entirely in French.*
- *Watch French movies/TV shows and analyze them.*
- *Create your own cereal and pitch it to the dragons in our very own French Dragon's Den*
- *Create your own short film. In groups students will create a 5-10 minute film to present to the class. The film will be accompanied by a script, storyboard, trailer and more.*

# **Fine Arts Electives**

# Musical Theatre 30

*Prerequisites: None*

Achieve two credits (**Arts Ed 30+ Theatre Arts 30**)

Take if:

- You want to be part of a full scale Broadway production
- You want to develop your skills as a vocalist, dancer and actor
- Being part of a community sounds inviting to you
- You love applause

# Drama 30

*Prerequisites: Drama 20 recommended*

Drama places emphasis on experiential learning and exploring the elements of drama, examining both performing and technical theatre.

Take if:

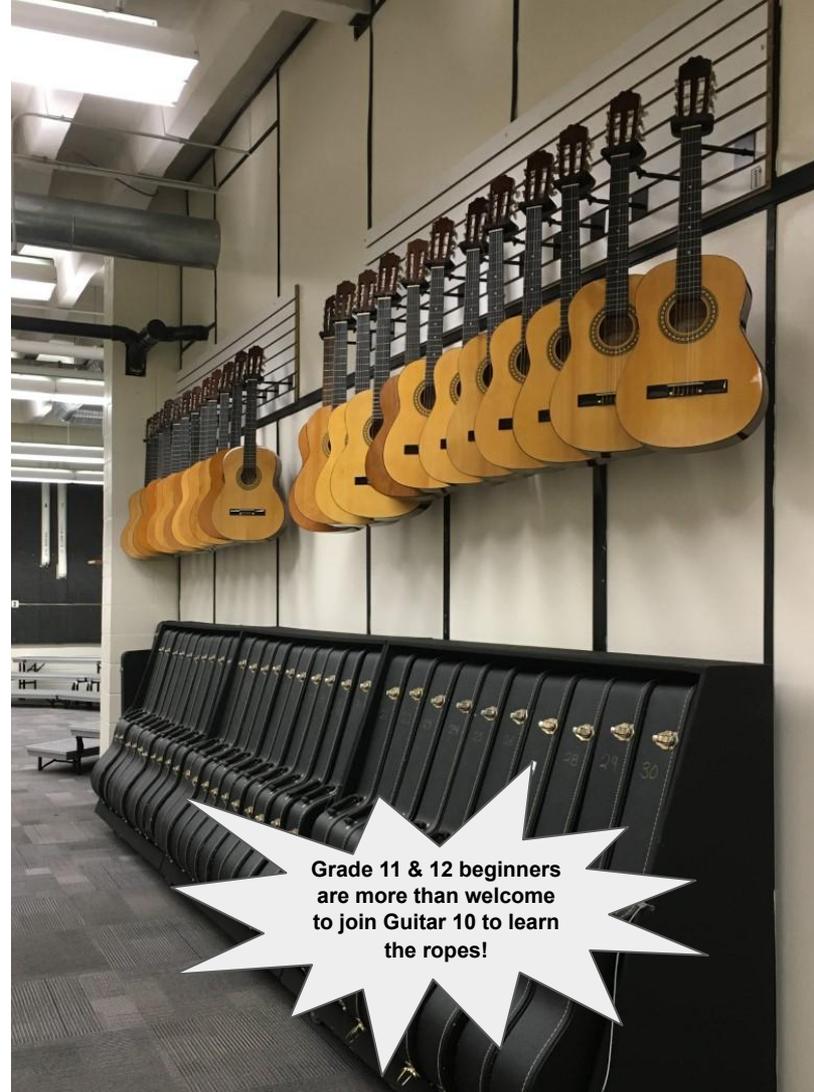

- You like being creative and expressing ideas
- Group based activities sounds exciting to you
- You are a risk taker

# Guitar 30

*This is an intermediate to advanced course that will allow you to 'pick' up where you left off in Guitar 20. It's an opportunity to further challenge and improve your guitar-playing and your knowledge of practical music theory.*

*Here, you will have numerous opportunities to pursue your own musical interests and goals independently, while also getting the chance to experiment with diverse styles such as jazz, classical, and flamenco, at a higher skill-level than is required for Guitar 20.*

**Grade 11 & 12 beginners  
are more than welcome  
to join Guitar 10 to learn  
the ropes!**

# Music Culture 30

*Prerequisites: none (not even the ability to play an instrument)*

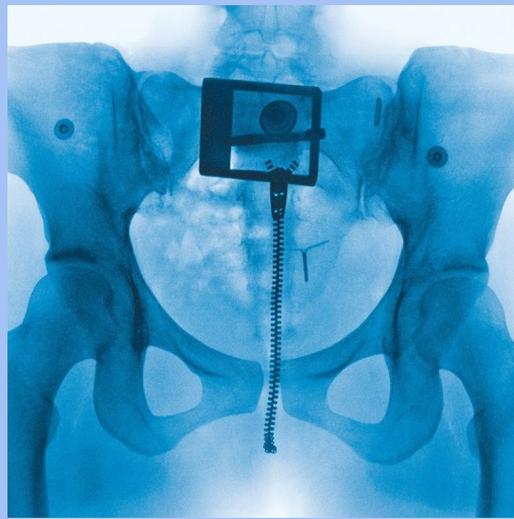

What are the inherent psychological links between music & our emotional experiences?  
(aka why do I feel all the feelings when listening to music?)

How do music scenes function and thrive?  
How can I take part?

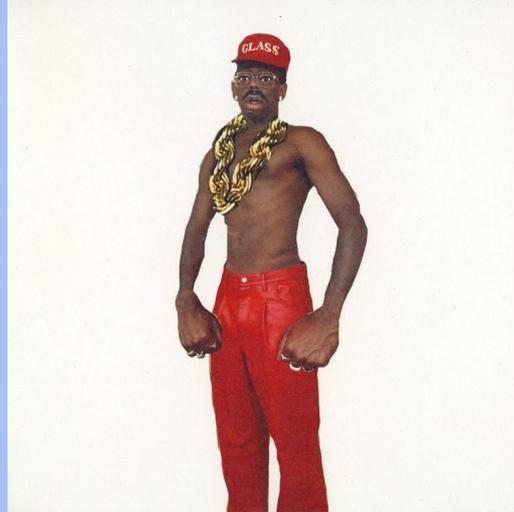

This class centers around modern & culturally relevant music, our present-day society, and YOU.

If you LOVE:

- Discovering & listening to new music
- Uncovering the origins of genres, bands & their songs
- Understanding how music WORKS
- Making playlists for every occasion
- Having a solid argument for what's objectively good

# I AM MUSIC

# Visual Art 30

*Prerequisites: none*

If you have a *lot* of art making experience or *no* art making experience, but you like working creatively - this is the class for you. This class will help you build skills for self-expression and art making through a variety of media such as drawing, painting, and ceramics.

# NEW! CERAMICS 20/30

Drawing and painting are not for you?  
Try art in a clay and ceramics class!  
This class will cover some of these techniques - throwing, hand building, and slab construction among others.  
There is no experience required for this class.

# Band 30

*Prerequisites: Band 20*

Students will continue to build upon their development as musicians. Band is a performance-based class where we work towards a common goal of making incredible music. Concerts, festivals, and music tours are our outlets to share our talents and hard work.

# Instrumental Jazz 30

*Prerequisites: Jazz 20*

Must be in Band 30 (co-requisite)

# Choral 30

*Prerequisites: Choral 20 recommended*

Performance-based class that continue to build upon group singing and musicianship skills. You will be presented with many opportunities to enhance your abilities such as concerts, festivals and travel!

## WHY JOIN?

- sense of community and empowerment
- strengthens identity
- facilitates learning and memory
- stimulates brain function
- so much fun!

# Vocal Jazz 30

*Co-requisite: Choral 30*

*Vocal Jazz provides you the opportunity to participate in high quality, high-energy performing ensemble! You will be present the opportunity to showcase your talent in concerts, festivals and travel! This ensemble performs a variety of styles of music while developing your mic technique!*

# **Physical Education Electives**

# Physical Education 30

*Prerequisites: Phys Ed 20*

This program includes some new activities plus some activity repetition from the Physical Education 20 course. Students will be directed toward a higher level of skill acquisition and knowledge with the activities being covered. Students will focus on their own personal fitness development by developing a high understanding of the Health-Related Fitness Components. Fitness assessment will be done throughout the semester, so students can monitor their progress.

Activities may include: Golf, Tennis, Curling, Ten Pin Bowling, Boxing, Billiards, Squash, Scuba Diving, Level 10, Spin Class, Group Kick Class, Wallyball, Water Polo, Gymnastics, Tchoukball, Volleyball, Basketball, Badminton, Football, Soccer. A downhill ski/snowboard trip with other credit physical education classes may be available. This will be an extra cost and will be optional.

# Outdoor Pursuits 30

## Activités en plein air 30

### *Prerequisites:*

Wellness 10 or Phys ed 20

This Phys Ed course is designed to allow students to explore the outside world and develop life skills in alternative environments.

Sample skills and activities include:  
Canoeing, Hiking, Skiing,  
Snowshoeing, GPS, Fire Making,  
Camping.

# Personal Fitness 30L

*Prerequisites:*  
*Wellness 10*

Students who have a specific interest in physical fitness will find this class beneficial. Students will be learning both theory and practical knowledge in the class. The course focuses on training for personal fitness goals. Students will gain a deeper understanding of nutrition, anatomy, physiology, training principles, personal assessment, and reflection of your level of health related components of fitness, learning about the skill related components of fitness, goal setting and working towards achieving personal goals. Any students interested in entering the Faculty of Kinesiology should consider taking this course.

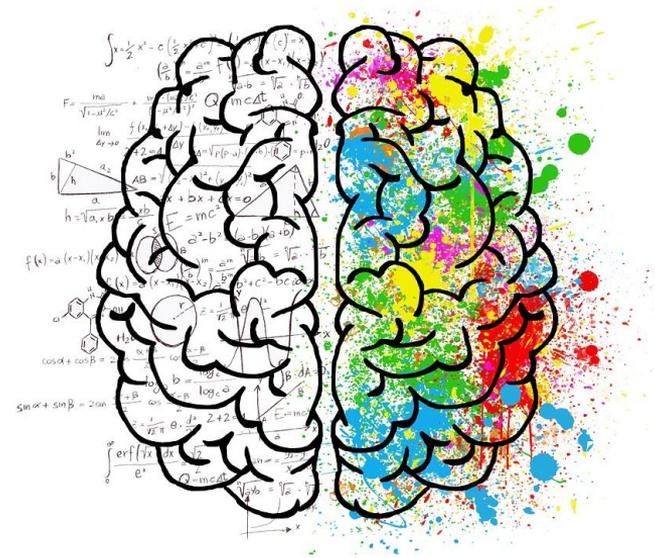

# **French Immersion Electives**

# Psychologie 20 (French Immersion)

*Prerequisites: a Social Sciences 10 /  
Sciences Sociales 10*

Focused on Social Psychology:

- How you think, feel and behave
- Mental health and coping strategies
- How the brain works
- Personality and worldview
- How others influence your behaviour

# Cinéma 20

*Prerequisite: French Immersion*

*See Mr. Pelletier for more info!*

This course focuses on the development of oratory and listening skills in French. The language is experienced through the exploration of modern French cinema, originating both from Québec and France. The cinema unit includes the study of the cultural dimension of film and its impact on our perception of the world, as well as the technical aspects of film: how it is produced, directed and filmed. The goal is to give students the space to practice and improve their French speaking ability by giving authentic engagement opportunities.

## QR CODE and on Reg Form!

Campus Regina Public is a career-centred educational institution available to all Grade 11 and 12 students registered with Regina Public Schools.

At CRP, we offer specialty two credit courses that are occupation specific and taught by experienced teachers and industry professionals using state-of-the-art equipment.

CRP maintains partnerships with local companies and post secondary institutions to ensure that our students are learning industry standard skills paired with academic excellence. This combination of experiences will allow our students to make informed career decisions.

Victoria Campus is a collection of congregated programs designed to support the unique learning needs of students within the Regina Public School Division. Access to the various programs is done on a referral basis.

Campus Regina Public is open to all Regina Public High School Students. Students are bused from their home schools for a morning or afternoon and then return by bus for the end bell. Students spend two hours a day in an integrated classroom where they will receive two credits. One credit from the courses below, and one academic credit tied to that specific program.

Advanced Construction Technology

Auto Mechanics

Electrical and Electronics

Forensic Science

miskasowin askîhk Land-Based Program

Advanced Culinary Arts

Early Childhood Education

Fire Science & First Responder

Law Enforcement and Criminology

Welding

Cosmetology

Engineering

Health Sciences

Video Game Design
