

Campbell Collegiate Extra-Curricular Awards June 2020

Ordinarily, our awards night is one of the best nights of the year. Staff, students, and parents alike appreciate the opportunity to recognize and congratulate all of our talented athletes, musicians, artists, and more. Extra-curricular involvement is such an important part of a student's growth and education and this night is usually a symbol of that value. Unfortunately, with public health guidelines preventing us from gathering, the recognition of dedication and accomplishment will have to be in this form only. Hopefully we'll be able to have our awards night in 2021.
