

## Tartan Athletics 2020

### *Our One and Only Fundraiser – Gold Cards*

#### Rationale

I know that nobody likes to fundraise...well, I don't anyway. However, our fall athletes are asked to participate in this one fundraiser for two reasons: one, athletes are not paying fees in the fall, but teams and sports still need funds to contribute to uniform and equipment replenishment (football has an equipment fee, but it is relatively nominal); and two, this will provide individuals an opportunity to earn money that they can put towards reducing their fees for future Campbell athletic endeavors.

#### How this works

- Players will receive an email from Momentum Fundraising. They can then forward this email to potential supporters. Supporters purchase a card (or cards) online and the card is mailed to the buyer directly. It is a "no contact" fundraiser. Follow up emails ... or even a phone call could help with sales. Be brave. Talk to people. You can do it.
- Send at least 20 emails
- Please be sure that supporters fill in the name of the seller so we can keep track of sales.
- We strongly encourage players to sell a minimum of 2 (two) cards each.
- Profits from those first 2 ("mandatory") sales go to Tartan Athletics; profits on each and every card sold beyond the first 2 will be applied to the individual's future fees.
- Profit is \$8 per card
- The Tartan Gold Card Kick Off will begin October 5<sup>th</sup> and it will close October 23<sup>rd</sup>. Results will be reported to the coaches of each team / sport so if you want to check your results, ask them first.

#### Athletic Director's Message of Encouragement

Despite the fact that school sport is not what we would have wished it to be, we are grateful that we are able to engage students in athletic activities in the fall. Sport is a vital element in the education and growth of students and we are happy to be able to provide this opportunity to as many students as possible. We will aim to keep as many kids playing as the numbers from the Health Authority warrant. We are following all of the guidelines for safety and precaution as prescribed by the SHSAA, SHA, provincial sport governing bodies, and our school division.

In short, we hope that kids can play and have fun and learn. If you have any questions, please email me at [Kelly.adams@rbe.sk.ca](mailto:Kelly.adams@rbe.sk.ca)
