

Welcome to the 2020-21 School Year!

We hope everyone has had a wonderful, relaxing summer. On behalf of the entire staff of Campbell Collegiate, we are pleased to welcome you to the 2020-21 school year. We know that you will find Campbell Collegiate to be a friendly, safe, caring, and inviting place to learn and grow.

Our current return to school plans are based on the direction and phasing of the Re-Open Saskatchewan plan, the Chief Medical Health Officer and local health officials. Campbell Collegiate will remain responsive to the needs of our students, staff, and community and to the requirements of Public Health authorities and the Ministry of Education. We will revise and update educational plans as required by emerging health risk assessments.

We look forward to welcoming back our returning students. If you are a new family to Campbell Collegiate, we wish you a special Tartans welcome. You have chosen an excellent high school with high academic standards, a fantastic staff, and the best spirit in town!

Open House

Given our current situation and in order to adhere to the government's health guidelines, we are unable to host an Open House. Staff will be sharing information about programs, curriculum, expectations for students, evaluation procedures, and the role that parents can play in supporting student successes via e-mail, telephone conversations and Google Classroom.
