First Day Meet and Greet

We extend an invitation to parents and guardians of our grade 9 and 10 students to meet your Tartan's Campbell Advisory teacher on September 1. You are welcome to join us for the first few minutes of the first school day. We will gather briefly in the auditorium before sending students to meet with their CAP teacher. Teachers will be sharing information about programs, expectations for students, evaluation procedures, and the role that parents can play in supporting student successes.

Campbell Collegiate Community Council (C4)

The Campbell Collegiate Community Council welcomes staff, students, and families back for another school year. We extend a warm welcome to families and staff who are new to our school. In 2021-2022 the Campbell Community Council will continue to promote mutual understanding between the school and the community. This council will share responsibility for the learning success and well-being of all Campbell students. The C4 will work on school planning and school improvements for the upcoming year. Please mark on your calendars the first SCC meeting: **September 20th at 6:30 p.m.**

Extra-Curricular and Co-Curricular Activities

Opportunities for students to learn and practice new skills take place both inside and outside of the classroom. A very important part of our school program includes extra and co-curricular activities available to students. Students are encouraged to get involved!

Campbell Advisory Program CAP

Students attending Campbell Collegiate are placed into an Advisory group. CAP allows both the student and the parents to build a relationship with their advisory teacher. On Thursday, September 1st, all students will spend the morning in CAP until regular classes commence at 10:59.
